Vocabulary

Unit1 – Lesson3
Page10

Have the Ss answer the questions in class.

1 BEFORE YOU LISTEN

A When was the last time you saw a great movie? What did you like about it?

OSCAR BLANCO

@OscarB

The first feature-length film was made in 1906. Can you guess how many movies have been made since then?

Have your Ss do the task for a couple of minutes. Then check the answers in class.

Complete the paragraphs with words from the box. Use the correct form of the words.

achievement - emotion - innovative – touch - classic - engage - inspire - vision

If you ask science fiction fans to list their favorite movies, many of them will include 1982's Blade Runner. It is considered a ___1___ because of its futuristic ___2___ of Los Angeles with crowded dirty streets, robots, and flying cars. The special effects used in the movie are considered one of the greatest ___3___ in the history of cinematography. The ___4___ story, based on a book by Philip K. Dick, went on to ___5___ many other movies, TV shows, and video games, and a sequel that came out in 2017. The action in Blade Runner is slow-moving compared to most modern movies, but there is enough mystery to keep the audience ___6___ in the story. The robots in the movie, called "replicants," look just like humans, and they also experience ___7___ like anger and fear. It's easy to be ___8___ by their sadness as they try to understand their place in the world.

B 01-15 VOCABULARY Listen. Then listen and repeat.

OSCAR BLANCO

@OscarB

The first feature-length film was made in 1906. Can you guess how many movies have been made since then?

a classic: considered important or high quality, with a value that lasts for a long time

an emotion: a strong feeling, such as love, hate, or sadness

an achievement: something difficult that is done successfully

touch: to affect someone's emotions, especially for sympathy or sadness

innovative: using or inventing good new ideas and methods

a vision: an idea of what you think something should be like

inspire: to make someone have a particular feeling or act in a certain way

engage: to make someone stay interested in something

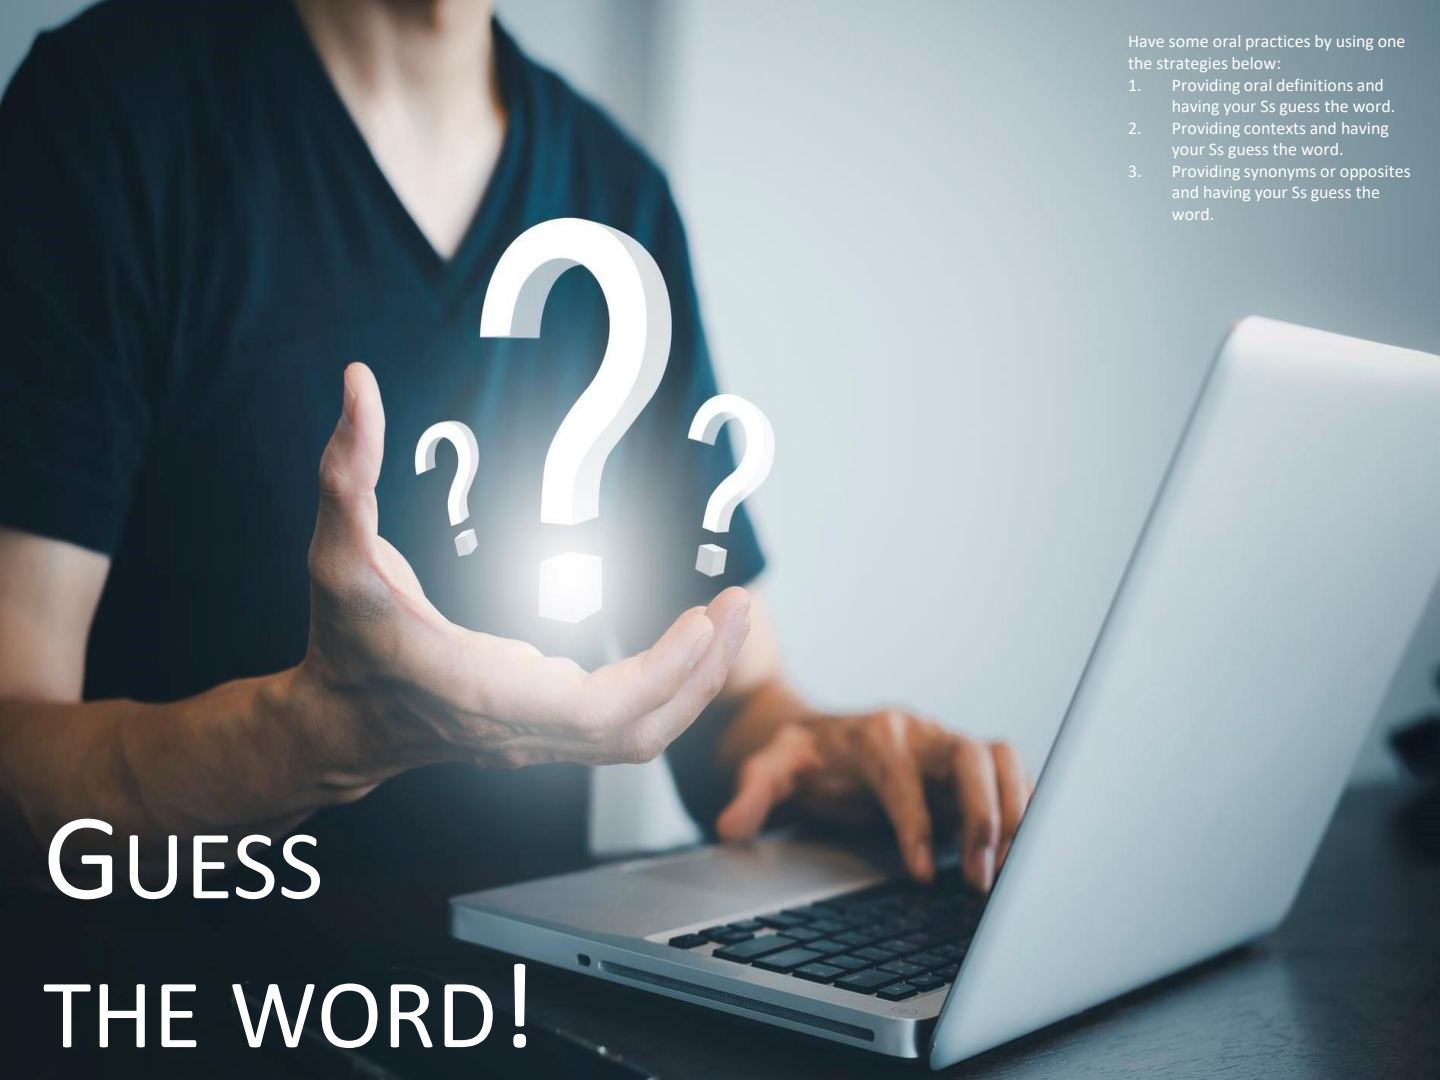

Have the Ss do the task in class. Nominate the Ss for their answers.

a classic: considered important or high quality, with a value that lasts for a long time
an emotion: a strong feeling, such as love, hate, or sadness
an achievement: something difficult that is done successfully
touch: to affect someone's emotions, especially for sympathy or sadness
innovative: using or inventing good new ideas and methods
a vision: an idea of what you think something should be like
inspire: to make someone have a particular feeling or act in a certain way
engage: to make someone stay interested in something
