Activity

Have some oral practices by using one the strategies below:

1. Providing oral definitions and having your Ss guess the word.
2. Providing contexts and having your Ss guess the word.
3. Providing synonyms or opposites and having your Ss guess the word.

GUESS THE WORD!

Have the Ss do the task in their breakout rooms.

C **PAIRS** Talk about each symptom or injury in 1A. When would or wouldn't you go to the doctor for this problem?

I wouldn't go to the doctor if my feet ached after a long walk.
