Vocabulary

Unit8 – Lesson2
Page92

Have the Ss read the facts and share their opinions in class.

1 VOCABULARY Using software

A 08-08 Read the instructions.

PAULA FLOREZ

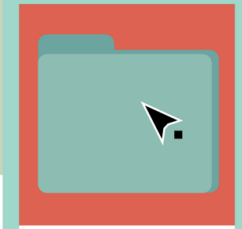

@PaulaF

I have to learn some new software at work. I hope it's not too complicated!

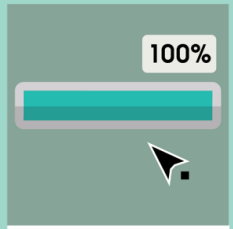

There's a new version of our file management software!
To **update** your program, follow these instructions:

First, follow this **link**. Then **scroll** down the page to FileManage 6.0 and choose **install** from the **drop-down menu**.

Select the **folder** where you want to install the program.

When it's finished **downloading**,

restart your computer.

Click on the FM **icon** to open the program.

Then you'll be ready to **upload** and organize your **files**.

Have your Ss do the task for a couple of minutes. Then check the answers in class.

CHOOSE THE CORRECT OPTION.

1. link
2. scroll
3. install
4. drop-down menu
5. folder
6. downloading
7. restart
8. Click
9. icon
10. upload

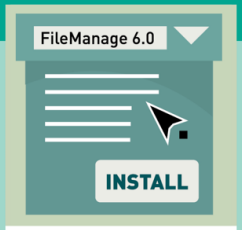

a. A graphical symbol on your screen showing a program or function.
b. The process of copying data from the Internet to a device.
c. A list of options when a user clicks on a menu title.
d. The action of moving through information on a computer screen, typically using a mouse.
e. Starting a computer or software program again.
f. A virtual connection between two web pages.
g. A storage space on a computer.
h. The action of pressing a button on mouse.
i. The process of placing a file or data on the internet or another online platform.
j. The process of setting up a program on a computer.

Have the Ss do the task in class. Nominate the Ss for their answers.

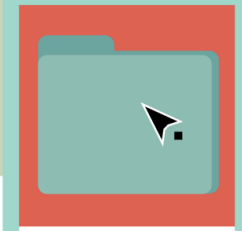

B Write the words in the chart.

Things on a computer	Things you do on a computer

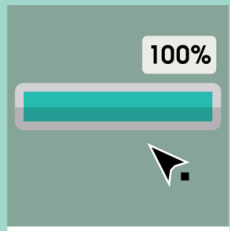

There's a new version of our file management software!
To **update** your program, follow these instructions:

First, follow this **link**. Then **scroll** down the page to FileManage 6.0 and choose **install** from the **drop-down menu**.

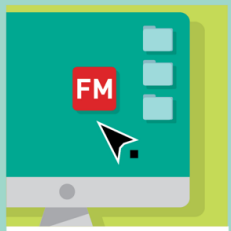

Select the **folder** where you want to install the program.

When it's finished **downloading**,

restart your computer.

Click on the FM **icon** to open the program.

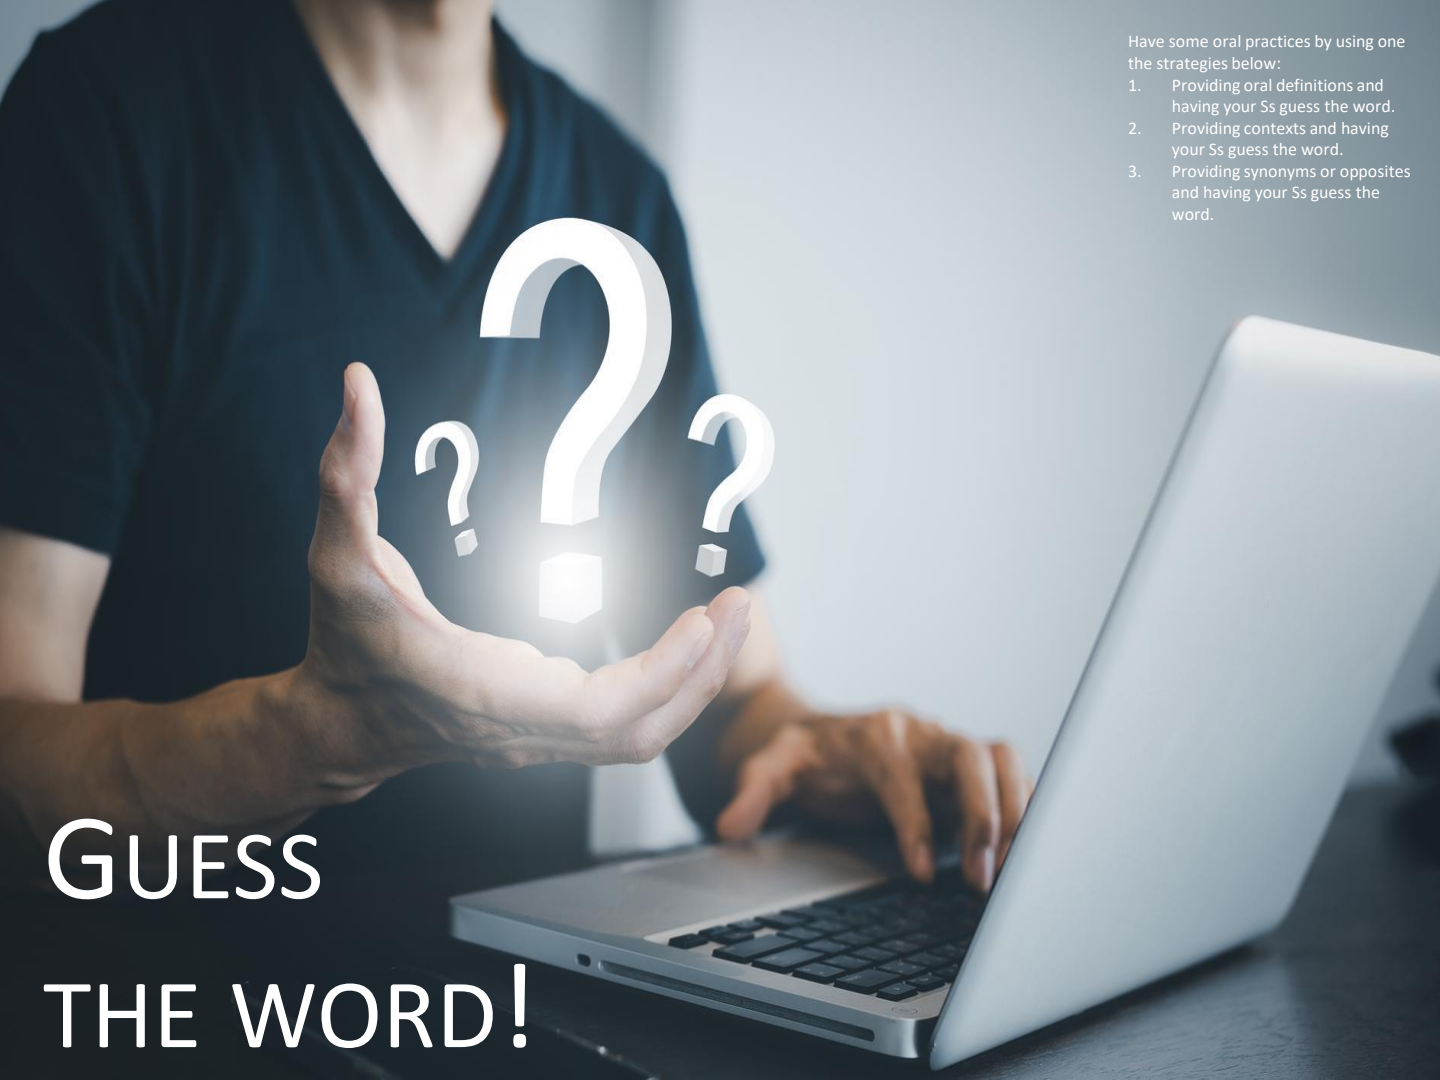

Then you'll be ready to **upload** and organize your **files**.

Write words from the box that have the same meaning as the bold words.

click	folder	scroll	downloading	icon
drop-down menu	update	upload	files	restart

1. If you're having problems with your computer, it helps to **turn it off and turn it on again.** _____
2. **Move the text on the screen down** to the bottom of the page to find the company's phone number. _____
